## A LETTER FROM OUR PASTORS

Dear Church Family,

In 2019, God was at work in significant ways at Fellowship Community Church. We hosted the Night to Shine event, in partnership with the Tim Tebow Foundation, with over 1,300 in attendance. Over 100 first-time guest families attended our all campus Fall Festival. We saw overwhelming support of the succession and transition plan for pastoral leadership. We've seen God moving in our summer camps, VBS, Bible-based messages, life-changing baptism stories, mission trips, and adoption of schools.

In reflecting on God's goodness, we see how blessed our congregation is. God being FOR us is the catalyst that causes us to express that we are FOR the Roanoke Valley. We have the privilege of introducing people to Jesus.

In 2020, we begin serving you as co-pastors. Though time always brings change, the one thing that does not change is the death, burial, and resurrection of Jesus Christ! We couldn't be more enthusiastic about how we anticipate 2020 will unfold. Keep pointing people to Jesus and living in the power of the Holy Spirit!

## MOVING INTO THE FUTURE

The time has come to secure permanent facilities for Southwest and North Campuses.

3.5 acres on Merriman Road have been purchased and building plans are being developed.

North Campus continues to look and wait on God's timing for their new home.

This spring, we'll kick-off a capital campaign to raise necessary funds, being challenged by examples of daring faith in the Bible.
